NOT SURE IF YOU WANT TO BE A DOCTOR? WE CAN HELP YOU FIND OUT.

FACES for the Future Coalition presents

FACES SUMMER MEDICAL ACADEMY

July 8 - 19, 2013
Mon - Fri, 9 a.m. to 4 p.m.

THE DETAILS

The FACES Summer Medical Academy is seeking highly motivated high school students 15 years or older who are interested in a career in medicine. Come have fun with us!

The Academy offers just some of the following:

- Professionally led clinical skills workshops in such areas as gross anatomy, intubation, and suturing
- Workshops and lectures that address topics like medical ethics, public health, health disparities, patient centered care, cultural competency and end-of-life care
- Clinical simulation laboratory activities
- Health career information
- Field trips to local educational facilities to learn about emergency transport medicine, biomedical research and end-of-life care.

Visit the FACES website to view the Academy’s video!

THE WORD

"Possibly the greatest summer program I have ever been in. I will never forget this."

"FACES has touched my heart more than any other program I have been in. Impacted is not the word; it's more like inspired or changed."

"The program was life changing. The eye-opening experiences, the incredible exposure, and the inspirational speakers. . . It has truly impassioned me to become a doctor."

"The overall program was amazing. I truly feel as though I gained so much information and insight, as well as great friends and connections."

"I wasn’t sure about med school—now I can’t wait!"
