

We are excited to announce the availability of FREE Student Self-Service (Enroll Verify) at Samuel Merritt University.

Student Self-Service saves you a trip to the Registrar's Office by providing you with the ability to perform the following services securely via the Web, 24/7:

- Print enrollment verification certificates to send to health insurers, housing providers or other organizations requiring proof of your enrollment
- Check the deferment forms and electronic notifications sent to your lenders
- Obtain a list of your student loan lenders and link to real-time loan information
- View your enrollment history
- View enrollment verifications provided to student service providers at your request
- Order an official transcript or view the status of your previous transcript requests (there is a small fee for official transcripts)

Student Self-Service is free, easy to use and secure. You can try it for yourself right now by logging onto SMU's Total Access using your student logon and password:

(Student Self-Service is provided through the National Student Clearinghouse, a non-profit organization serving the higher education community.)
