

1. **Name of workshop:** Beyond Lecture Capture: Content Reviews on Video
2. **Date of workshop:** 5/30/19
3. **Location of workshop:** SMU, HEC
4. **Course Outline:**

- a. **Brief Overview:**

Provide students with supplemental video to explain and illustrate complex concepts, to reinforce content, or to review material not covered in class. Find out how recording Panopto videos can save time for faculty. Learn how Panopto recordings can make a difference for “B” and “C” students. Explore practical video recording scenarios with Panopto.

- b. **Objectives:**

- i. Identify types of supplemental material for content reviews
- ii. Identify how students use video, when, where, and how
- iii. Identify who benefits most from content reviews on video
- iv. Discover the Panopto Recorder app and features for recording a presentation containing audio/video/PowerPoint
- v. Become familiar with Panopto analytics for exploring how students learn in your class with video

- c. **Comprehensive topical outline:**

- i. What are content reviews on video?
- ii. How are students using content reviews on video and how do they benefit?
- iii. What does it take to prepare and record a content review, and how do faculty benefit from making videos?
- iv. Recording videos in Panopto
- v. **Exercise:** setup and record a Panopto video
- vi. How do you know if students are viewing videos and trends

- d. **Method of evaluation:** Course evaluation survey completed by attendees
