

SMU Lab Report

The purpose of this form is to provide an opportunity for any SMU faculty, student or staff to file with the SMU Biosafety Committee any issues or concerns with regard to biosafety in any of the three SMU labs (**G587 Teaching Lab, SMU Faculty Research Lab, and the Riess Anatomy Lab**). *This form is not intended to replace the required forms for reporting lab accidents and/or biosafety incidents.* It is however, a simple form for informing the Biosafety Committee of any possible biosafety issues, and/or to provide a form for making suggestions on how to improve biosafety in the labs. Submit the following form via email to Dr. Richard Rocco at rrocco@samuelmerritt.edu.

Date _____ Name _____

Please Check:

Faculty _____ Student _____ Staff _____ Lab G587 _____ Lab Research _____ Riess Lab _____

Provide a detailed description of the concern and/or suggestion(s). Ways to improve biosafety in the labs are especially appreciated. Thank you.

Use attached pages if required. Receipt of all submissions will be confirmed and submitted to the SMU Biosafety Committee for review at their monthly meetings.
