

2026-2027 NON-TAX FILER STATEMENT

Your FAFSA application has been selected for a review process called verification. In this process, Samuel Merritt University will compare the information from your FAFSA with the documentation you, your parent(s) provide. Since you have indicated that you will not and are not required to file a tax return for the 2024 year, we must collect this form from you and your parent(s). We are unable to process your financial aid application without this statement. This form must be completed by each person in your household who did not file a tax return in 2024 and provided data on your FAFSA.
